Title of Project:	Corruption in Political Parties
Type of Product (e.g., Book, Paper, Documentary Film, Serial Article):	Articles in Crime, Law and Social Change (1997), Review of International Political Economy (2002), Party Politics (2004)
Précis of 100 Words or Less:	I examine the relationship between party organizational change and political corruption, paying particular attention to the issue of party finance. I am also looking at the relationship between state interventionism in the economy and corruption, and at the vices and virtues of rational choice theory as an explanatory framework for looking at corruption.
