Address of Employer or Sponsoring Organization:	Department of Public Administration University of Dhaka, Dhaka-1000 BANGLADESH
Title of Project:	Combating Corruption in South Asia: A Governance Perspective
Type of Product (e.g., Book, Paper, Documentary Film, Serial Article):	Book
Précis of 100 Words or Less:	Corruption has engulfed state and society in South Asia (SA). The core objectives of the proposed research are: a) to view corruption control from the perspective of good governance in five SA countries- Bangladesh, India, Nepal, Pakistan and Sri Lanka to provide prescriptions for change; b) to devise ways and means to build and sustain a culture and trust in all public and private dealings in the countries under study; c) to identify the inherent causes and consequences of systemic corruption; and d) anti-corruption policies, strategies of few selected countries/regions, multilateral agencies and international NGOs will be reviewed for their success in countering corruption.
Start Date:	September 2004
Projected Completion Date:	June 2005
Presentation or Publication Date:	July 2005; Early 2006
Presentation or Publication Venue:	July 2005: Not certain at this time
Original Language:	English
Projected Date of Availability in English:	NA

Relation to Other Efforts, Follow-on Projects (If Any):	I have already done some research in the area and published on Bangladesh.
Available in Hardcopy or Electronically (Y/N):	Available in hardcopy and also electronically
