Précis of 100 Words or Less:	The Soros Foundations Network, in cooperation with the Center for Policy Studies at CEU, has launched the “Lessons Learned in Anti-Corruption Policy” project. The research project aims to study good practices in the areas of anti-corruption policies and projects in four South East European countries – namely Albania, Bosnia-Herzegovina, Bulgaria and Macedonia. Research covers projects initiated by the Soros Foundations Network, as well as leading multilateral and bilateral donor agencies in the field and national government policies. Countries were selected on the basis of them having a government anti-corruption strategy.
